📍 Austria, St. Pölten, Herzogenburger Straße

## About me

As a UX/UI Designer eager for work-related travel, my expertise spans Design Thinking, full-stack web, cross-platform mobile development, and crafting high-fidelity designs directly translated into code.

With 10 years organizing scouting groups and leadership-focused summer camps for kids, I value teamwork and excel in dynamic, multicultural settings, adept as both a proactive team member and facilitator.
